I understand that I am responsible for supervising my minor child at all times while the vendor is providing services to my child and participating in the activity, unless the terms of participation in a particular activity specifically provide that parental supervision is not required or appropriate, such as for Behind the Wheel driver training. I understand that no employee of any charter school I might be with will supervise my child during these optional activities and thus all supervision responsibility rests with me

Continued participation in K4MIE is contingent on good behavior, namely, not talking back, having a positive attitude, not being disrespectful or disruptive, and following instructions. Failure to meet these expectations will result in verbal warnings, redirection or removal from the area, parent communication, or disenrollment.
